Slow Down.

Speeding is one of the major causes of work zone crashes. Everyone in the work zone is part of a family. It could be yours!

Pay attention to the signs.

The warning signs are there to help you move safely through the work zone. The black and orange signs let you know there is work being done.

Don't Drive Distracted.

100% of your attention should be on the road and its surroundings. Checking your phone could be a matter of life or death.

Obey the Flaggers.

The flagger knows what is best for moving traffic safely through the work zone. A flagger has the same authority as a regulatory sign or a police officer, so you can be cited for disobeying their directions.

Be Patient & Stay Calm.

Work zones aren't there to inconvenience you. The work zone crew members are working to improve the road & make your future drive better.
